

# Important Billing Information

This facility is a department of Olathe Medical Center (OMC).

## YOUR CO-PAYMENT

If you have [Medicare](#), the co-payment amount you owe for treatment may be different, and could be higher, than the co-payment amount you would owe for the same service rendered through a free standing facility or physician's office.

If the services provided are authorized by your insurance provider, the services provided will be covered at the preferred provider rate for "outpatient hospital" services. Co-payments, deductibles and co-insurance charges may apply.

Depending on the structure of your insurance plan, you may owe a different co-payment or deductible amount for services provided than if you received the same services at a freestanding facility or physician's office.

## YOUR BILL

Following each appointment, expect to receive a bill from each of the services received, including:

1. Olathe Medical Center (OMC)
2. Your Olathe Health Physician (OHP)

## IN SUMMARY

Receiving care at Olathe Health hospital-based department locations may result in a facility fee, as well as a professional or physician charge for outpatient services and/or procedures. These charges will be reflected on the patient bills you receive for services provided. Olathe Health is not unique in this regard as this is the case in many integrated healthcare delivery systems across the country.

If you have questions regarding your OMC bill, please call OMC's Patient Financial Services at 913-324-8520 between 8 a.m. and 4:30 p.m., Monday through Friday. If you have questions regarding your OHP bill, please call OHP Patient Financial Services at 913-782-3798.

We make it a priority to keep our patients informed. Thank you for choosing OMC!
