We are excited to introduce you to Olathe Health System an exciting opportunity we have within **Occupational Medicine**.

We are developing an employer health clinic which will be providing occupational medicine to our community. We have an employment opportunity for an Occupational Medicine physician at Olathe Medical Center, which is located in Suburban Kansas City. The position is employed by Olathe Health System. I wanted to inquire about your potential interest in learning more about our positions and possibly having a phone call to discuss them in detail.

Olathe Medical Center has a great deal to offer physicians. We are a thriving community and regional medical center located in Johnson County, Kansas. We provide our physicians with access to state of the art technology and many services. We work hard to earn our patients and physicians confidence and strive to be the hospital of choice for our community and physicians.

Olathe is a great place to live, work, learn, shop and play! With a population of more than 127,000, Olathe is one of the fastest growing cities in the nation (U.S. Census). Despite its phenomenal growth, it retains a hometown flavor with a quality of life second to none. Olathe has been ranked as among the "Best Cities" in which to live (Money and Forbes Magazines and RelocateAmerica.com).

Here are some of the details regarding the positions:

Olathe Medical Center has recently undergone the largest expansion in its history. Several significant construction projects have been completed across our 260 acre campus.

- A new four-story Obstetric Wing with a Level II Neonatal Intensive Care Unit which opened in May, 2017.
- A free-standing Cancer Center was completed in March, 2018.
- The addition of a Memory Care Neighborhood at Cedar Lake Village was completed and opened in 2017.
- Expanded Cardiovascular Center which included a new Hybrid Lab was completed in 2017.
- OMC also opened our Hospice House in October, 2014.
- We will have expanded pediatric care on our campus thanks to a partnership with Children's Mercy Hospital. A new facility at Olathe Medical Park initially will offer pediatric urgent-care and specialty clinics through Children's Mercy.
- Further growth will also occur in orthopedics. We are currently exploring growth opportunities within the group and community.

Accreditations and other items to note:

- OMC recently earned national recognition in orthopedic surgery care from the Centers for Medicare and Medicaid Services (CMS). It was ranked among the top 97 hospitals in the country for safety and better recoveries from knee and hip surgery.
- Olathe Medical Center has been recognized as a High Performing Hospital by U.S. News and World Report for Hip Replacement.
- In 2019, The College of Healthcare Information Management Executives (CHIME) recognized Olathe Health as a recipient of the CHIME Healthcare's Most Wired Award.
- The Joint Commission has awarded Olathe Medical Center a continued Chest Pain Certification through 2021.
- OMC has received the American Heart Association/American Stroke Association's Get with the Guidelines Target: Stroke Honor Roll Elite Plus Gold Quality Achievement Award.
- OMC has received the American College of Cardiology's National Cardiovascular Data Registry MI Registry Platinum Performance Achievement award. The Platinum award is the premier award from the American College of Cardiology (ACC) and is only awarded to 225 hospitals nationwide.
- Olathe Health is one of Ingram's Magazine's "2017 Best Companies to work for". Olathe Health was one of only four recipients in the large company's category.
