We are excited to introduce you to Olathe Health and the exciting opportunities we have within **Endocrinology**.

We have an employment opportunity in **Endocrinology** at Olathe Medical Center which is located in Suburban Kansas City. This position is employed by Olathe Health. I wanted to inquire about your potential interest in learning more about our positions and possibly having a phone call to discuss them in detail.

Olathe Medical Center has a great deal to offer physicians. We are a thriving community and regional medical center located in Johnson County, Kansas. We provide our physicians with access to state of the art technology and many services. We work hard to earn our patients and physicians confidence and strive to be the hospital of choice for our community and physicians.

Olathe is a great place to live, work, learn, shop and play! With a population of more than 130,000, Olathe is one of the fastest growing cities in the nation (U.S. Census). Despite its phenomenal growth, it retains a hometown flavor with a quality of life second to none. Olathe has been ranked as among the "Best Cities" in which to live (Money and Forbes Magazines and RelocateAmerica.com)

**Key Details regarding the position:**

- This is a new position who will be joining an existing endocrinologist.
- This position will provide outpatient care along with inpatient consults.
- All of the providers and staff are employed by Olathe Health.

Olathe Medical Center has undergone the largest expansion in its history. Several significant construction projects have been completed across our 260 acre campus.

- A new four-story Obstetric Wing with a Level II Neonatal Intensive Care Unit was opened in May, 2017.
- A free-standing Cancer Center was completed in March, 2018.
- The addition of a Memory Care Neighborhood at Cedar Lake Village was completed and opened in 2017.
- Expanded Cardiovascular Center which included a new Hybrid Lab was completed in 2017.
- OMC also opened our Hospice House in October 2014.
- We will have expanded pediatric care on our campus thanks for a partnership with Children's Mercy Hospital. A new facility at Olathe Medical Park initially will offer pediatric urgent-care and specialty clinics through Children's Mercy.

- Further growth will also occur in orthopedics. We are currently exploring growth opportunities within the group and community.

**Accreditations and other items to note:**

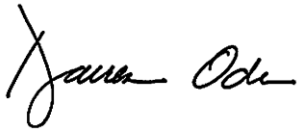

- OMC recently earned national recognition in orthopedic surgery care from the Centers for Medicare and Medicaid Services (CMS). It was ranked among the top 97 hospitals in the country for safety and better recoveries from knee and hip surgery.
- OMC is the first hospital in the region to implement Robotic-Assisted Technology for Partial Knee Replacement Surgery.
- OMC has received the American College of Cardiology's National Cardiovascular Data Registry ACTION Registry – Get with the Guidelines (GWTG) Platinum Performance Achievement Award. Only four percent of U.S. hospitals received this award.
- All Olathe Medical Services, Inc (OMSI) primary care clinics have received the National Committee for Quality Assurance's (NCQA) Patient-Centered Medical Home (PCMH) Level 3 Recognition. This is the highest level of recognition awarded by NCAQ, the organization that evaluates providers and clinics based on the quality of care given to patients under the Medical Home Model.
- Olathe Health is one of Ingram's Magazine's "2017 Best Companies to work for". Olathe Health was one of only four recipients in the large company's category.
- Awards, Accreditations and Certifications can be found at: <http://www.olathehealth.org/About-Us/AwardsandAccreditations>

I would enjoy the chance to learn more about your interest in our positions and discuss them in detail.
