### BLUECROSS BLUESHIELD OF KANSAS CITY - TOP PERFORMER

Olathe Health's primary care clinics earned TC+ designation from Blue Cross Blue Shield of Kansas City (Blue KC) for exceeding the 70th percentile for both cost efficiency and clinical quality in 2020. More notably, we were named the best-performing primary care practice in the Blue KC network in quality. We also rank in the top 20th percentile in the network for cost. This means patients who choose Olathe Health will receive high-quality, low-cost healthcare services.

### INGRAM'S KANSAS CITY'S TOP DOCTORS - RAVI K. YARLAGADDA, MD, FACC, FHRS

In the October 2021 issue of *Ingram's Magazine*, only 25 physicians from the Kansas City area were chosen as Top Doctors. Ravi K. Yarlagadda, MD, FACC, FHRS, an electrophysiologist with Olathe Health, was one of the elite physicians honored. Dr. Yarlagadda was integral to Olathe Medical Center becoming the first hospital in North America to receive a commercial license for the EP Navigator to treat complex heart rhythm disorders. He was the first doctor in Kansas to perform cryoablation to restore normal heart rhythm. More recently, he began performing left atrial appendage closure, a lifesaving, minimally invasive procedure enabling atrial fibrillation patients to eliminate blood thinners without increased risk for stroke.
